

## **Anne Tonna**

Anne took up her position as Executive Officer (Development) with the Centre for Rural & Remote Mental Health in September 2003. In addition to her qualifications in psychology, she holds a Graduate Diploma in Health Services Management and a Masters of Education in Adult Education.

Anne has managed regional staff development programs for two rural Area Health Services in NSW, provided support to the medical education programs of the Central West Rural Health Training Unit and NSW Central West Division of General Practice, and has worked as a Psychologist and Team Leader in rural Community Health Services.
